

Dear Store Manager,

I recently tried a new gluten-free product, Choice Batter, by CrispTek. It's a great tasting, low oil absorbing, gluten-free and kosher frying batter. Additionally, it is free of the 8 most common food allergens. You can read more about it at their website at www.ChoiceBatter.com.

Please consider stocking this product in your store!

It is available directly from CrispTek, but they prefer sales going through one of the following distributors:

Kehe Foods (product code 232261)

UNFI (product code 018066-1)

If you have any questions, you can contact CrispTek directly at sales@crisptek.com or call them at 410-715-2009.

Sincerely,

Your Loyal Patron
